Dear 

Attached is a copy of a letter I received from Doug in which he states that \$225.60 has been withheld from final payment of Contract HF-22-58 in accordance with paragraph 27 (F), Patent Rights, of the contract.

There were no royalties paid in the performance of this contract, nor were there any subject inventions made or first reduced to practice in the performance thereof.

I trust the above certification is sufficient for you to make payment of the withheld amount. If you need any other information, please give me a call.
